My title clearly states the procedure/task that is being instructed.			
My sub-headings clearly break up my procedure into different sections.

I have used adverbs when necessary.			
Bullet points or numbered steps are used at the beginning of each of my steps.			
My instructions are in chronological order.			
I have included diagrams or images to help instruct my reader.			

## *A Summer Prayer*

Father, Creator of all,  
thank you for summer!  
Thank you for the warmth of the sun  
and the increased daylight.  
Thank you for the beauty I see all around me  
and for the opportunity to be outside  
and enjoy your creation.  
Thank you for the increased time I have  
to be with my friends and family,  
and for the more casual pace  
of the summer season.

Draw me closer to you this summer.  
Teach me how I can pray  
no matter where I am  
or what I am doing.  
Warm my soul  
with the awareness of your presence  
and light my path  
with your Word and Counsel.  
As I enjoy your creation,  
create in me a pure heart  
and a hunger and a thirst for you.

Amen.
